ORDER

The Petitioner's request that the Board remand this case to the Regional Director to permit the Regional Director to rule on its request to withdraw the petition in the above-captioned matter is granted. Since the Petitioner seeks to withdraw the petition, we find it unnecessary at this time to rule on the Proposed Intervenor's Request for Review, which is pending before the Board on a grant of review. Accordingly, this proceeding is remanded to the Regional Director for a ruling on the Petitioner's request to withdraw the petition and any further appropriate action.
